Dear Ms. Larson:

Re: Reclamation Surety Release, Bond No. 4086846, White Mountain Gypsum Company, Inc., White Mountain Mine, M/027/001, Millard County, Utah

The Division has received a recent request from Smith & Ardussi, Inc. to change the mine status of the White Mountain Mine from a large mining operation to a small mining operation. This category change has now been approved by the Division and your previous requests for surety release can be honored.

Enclosed please find the signed bond release forms and the original \$2884 reclamation surety (bond No.4086846) for the White Mountain mine site. Smith & Ardussi, Inc. have met the requirements for surety release of this mine property.

We thank you for your patience and understanding in resolving this matter. If you need any other information regarding the release of this surety please contact us directly at (801) 538-5340.

Sincerely,

Lowell P. Braxton

Associate Director, Mining
